## ABOUT ME

Graduate of Electronic Engineering from Semarang State Polytechnic with a focus on microcontroller automation, PLC, and IoT. Skilled in electronics, industrial systems, problem-solving, communication, and teamwork. Seeking an internship to gain professional experience and enhance technical skills.

## EDUCATION

**2023 - 2026 SEMARANG STATE POLYTECHNIC | DIPLOMA III IN ELECTRONIC ENGINEERING**

- GPA: 3.49 / 4.00
- Related Coursework: Microcontroller Programming, IoT system development, PLC Automation, Control Systems, Electrical Installation, Instrumentation & Maintenance.

**2020 - 2023 STATE SENIOR HIGH SCHOOL PEKALONGAN | SCIENCES**

## INTERNSHIP EXPERIENCE

**Sep 2025 - Dec 2025**

**CV. REKAYASA DESAIN MENUFAKTUR |  
ENGINEERING DIVISION**

- Managed panel wiring, component installation, and system troubleshooting for optimal performance.
- Designed HMI interfaces with automated alarms, data logging, and intuitive control features.
- Authored technical reports and Standard Operating Procedures (SOPs) for project implementation and maintenance.

## PROJECT EXPERIENCE

### • BIONIC FOOT

This project is the development of a Bionic Ankle system designed as a prosthetic device or rehabilitation tool to assist human mobility.

### • FORCE PLATE

This project is a digital weighing system based on a load cell and ESP32 that can measure weight, display results in real time, and automatically store data to an SD card for monitoring and recording purposes.

## SKILLS

**Soft Skill:** Teamwork, Problem Solving, Effective Communication, Adaptability, Discipline, Leadership.

**Hard Skill:** Circuit Design & Wiring, PCB Assembly & Soldering, Microcontroller Programming, Internet of Things (IoT), Human Machine Interface (HMI).

**Software Skill:** Microsoft Word, Microsoft Excel, Proteus, Arduino IDE, CX-Designer, Haiwell Cloud SCADA.

## LANGUAGE

- Indonesian – Fluent
- English – Basic

## SERTIFICATION

**BNSP Competency Certification (LSP Polines)** - Professional Competency in Electronics Field.

**Internship Certificates:** CV. Rekayasa Desain Manufaktur
